1995 Index to Articles

ASTM

Abbreviated Minutes from ASTM Subcommittees on Printing Inks and Ink Vehicles; June 26-27, 1995; September; 40
Abbreviated Minutes from ASTM Subcommittees on Printing Inks and Vehicles; May; 48

Business

Vision: The Key to Good Business;
NAPIM Preview; January; 54
How to Find the Experts Your Business Needs;
Mark E. Battersby; April; 94
Making Creativity Work for You;
Nancy Lowther; May; 54
Avoid These 12 Errors When Transferring Your Family Business;
Phillip M. Perry; September; 44

CEPE

CEPE on the Move;
Suzanne Christiansen; September; 16

Coatings

Coatings: Water Reigns Supreme; August; 31

Commentary

The Year in Review...and a Peek at The New Year;
Elizabeth Cunningham; January; 20
Paradigms of the Fourth Dimension: A Window into Change Within the Pigments and Printing Ink Industries;
Dr. Hugh Smith; April; 31
Printing Ink, Organic Pigments and Intermediates — Continuing Global Change;
Thomas W. Rogers; June; 44
The Role of the Polymer Manufacturer in Advancing the Capabilities of Water-Based Inks;
Michael P. Moore; September; 35

DRUPA

The DRUPA '95 Report;
Elizabeth Cunningham, John McKeon & Dr. Ran Krishnan; August; 38

Dyes

Tailoring Dyes for Ink Jet Applications;
W. Bauer and J. Ritter; January; 42

Environment

The Great Printers Project; Bob Murphy; March; 24
Pollution Prevention: Our Biggest Opportunity to Improve Profits;
Dr. Charles Rooney & Kevin Reid; April; 71
Ink Recycling: A Work in Progress;
Hope Gaines; July; 18
Reform of the Superfund Law;
James H. Sutphin; October; 29
CAAA Update: Permit Me to Comply;
Patricia Brucato; November; 22

Equipment

Equipment Showcase 1995; August; 10

Finances

Printing Ink Sales 1994 & 2000;
Dr. David Fishman; February; 54
Can Total Quality Management Fix Your Company?;
Nancy Lowther; March; 16
Improving the Bottom Line;
Nancy Lowther; September; 56
Asset-Based Loans as an Alternative;
Mark Battersby; October; 40
Making Time Pay; Nancy Lowther; November; 50

Flexography

Flexographic Printing Markets, Process & Inks;
David Fishman; October; 21

Gravure

Growth in Gravure; Hope Gaines; May; 14
Gravure Printing Markets, Process & Inks;
David Fishman; November; 44

High Fidelity Color

Hi-Fi Color;
Al DiBernardo & Carmine Matarazzo; April; 37

Ink Jet

Where are the Ink Jet Ink Makers?;
Hope Gaines; October; 16

Intaglio

Intaglio Printing: Inks Under Pressure, Part I;
Dr. Kenneth E. Nixon; February; 26
Intaglio Printing: Inks Under Pressure, Part II;
Dr. Kenneth E. Nixon; March; 34

International

The International Outlook;
Suzanne Christiansen; February; 12
The 1994 International Printing & Graphic Arts Conference; Jean Rosinski; February; 46
Printing Ink, Organic Pigments and Intermediates — Continuing Global Change;
Thomas W. Rogers; June; 44
Scenes from the Asia-Pacific Coatings Show;
August; 50
Shrinking the Globe;
Suzanne Christiansen; November; 12

ISO

Peer Pressure: A Look at ISO 9000;
Pat Brucato; June; 36
ISO 14000: The New Kid on the Block;
Patricia S. Brucato; August; 60

Laws

Regulatory Challenges: Using Some Common Sense; April; 12
Reform of the Superfund Law
James H. Sutphin; October; 29
CAAA Update: Permit Me to Comply;
Patricia Brucato; November; 22

NAPIM

The 1995 NAPIM Annual Convention;
Tricia Walsh; April; 25
NAPIM News; March; 57
NAPIM Directors; April; 28
NAPIM Envisions the Future;
Suzanne Christiansen; June; 21
NAPIM Directors; June; 34
NAPIM President's Service Awards; July; 46
Printing Ink Pioneers — 1995; July; 44
NAPIM News; July; 53
NAPIM President's Letter; Cal Sutphin; August; 66
NAPIM News; September; 69
NAPIM News; December; 39

NPIRI

Analyzing for CONEG Heavy Metals in Printing Inks;
NPIRI Task Force on Heavy Metals; April; 71

Packaging

Packaging: Image is Everything; May; 22
Technical Analysis of Ink Trap;
William Pope; July; 37

Pigments

Looking Ahead with Pigments;
Hope Gaines; January; 12
Pigments Showcase; January; 28
The Latest from Environment Canada Concerning Pigments and Their Applications
Environment Canada; January; 50
Resins & Pigments Expo '94; February; 22
Paradigms of the Fourth Dimension: A Window into Change Within the Pigments and Printing Ink Industries; Dr. Hugh Smith; April; 31
The Sunny Side of Pigments; Hope Gaines; June; 12
Printing Ink, Organic Pigments and Intermediates — Continuing Global Change;
Thomas W. Rogers; June; 44
Synthetic Organic Pigments: Summary of U.S. Production & Sales, 1993;
U.S. International Trade Commission; June; 66
Developing Metameric Pigment Combinations For Security Printing;
Paul Legnetti and Hanspeter Hauser; July; 30

Printers & Printing

The Great Printers Project;
Bob Murphy; March; 24
The DRUPA '95 Report;
Elizabeth Cunningham, John McKeon & Dr. Ran Krishnan; August; 38

Profiles

Paul Volpe; January; 57
Jack DiPiazza; February; 56
Jean Lavelle; May; 52
Printing Ink Pioneers — 1995; July; 44
John Booth; September; 31
Lawrence Herbert; October; 42
Paul Klein; November; 54

Resins

Resins & Pigments Expo '94; February; 22
Resins Showcase; March; 30
A Rheological View on Hard Resins in Mineral Distillates; Dr. A.J. Reuvers; March; 46
A New Resin for Heatset Gel Varnishes;
Joe Baldassare; April; 80
Performance Comparisons of Heatset Ink Formulations Using Environmental Resin ER-125;
Joe Baldassare; June; 50
Resins are Gaining Weight;
Suzanne Christiansen; October; 12
Environmental Resin-125's Use in Quickset Ink Formulations; Joe Baldassare; October; 34

Solvents

Solvents: A Rising Tide of Controversy;
Patricia S. Brucato; July; 23

Specialty Inks

Shining a Light on Energy Curable Inks;
Suzanne Christiansen; May; 42
New Ideas in Specialty Inks; July; 10
Intaglio Printing: Inks Under Pressure, Part I;
Dr. Kenneth E. Nixon; February; 26
Intaglio Printing: Inks Under Pressure, Part II;
Dr. Kenneth E. Nixon; March; 34

Developing Metameric Pigment Combinations For Security Printing; Paul Legnetti and Hanspeter Hauser; July; 30
Where are the Ink Jet Ink Makers?; Hope Gaines; October; 16

TAGA

TAGA 1995; Suzanne Christiansen; May; 30

Technology

New Technology for Waterbase; Elizabeth Cunningham; March; 12
A New Technology for Graphic Arts Applications; R. Derby, B.A. Gruver and S.Y. Chan; June; 56
Taking a Spin on the Information Highway; Patricia S. Brucato; September; 10
Winds of Change for Ink Technology: The NAPIM Technical Conference; Suzanne Christiansen; November; 30

UV/EB

Shining a Light on Energy Curable Inks; Suzanne Christiansen; May; 42

Waterbase

New Technology for Waterbase; Elizabeth Cunningham; March; 12
The Role of the Polymer Manufacturer in Advancing the Capabilities of Water-Based Inks; Michael P. Moore; September; 35
Flexographic Printing Markets, Process & Inks; David Fishman; October; 21

Waxes & Additives

Organophilic Clays: Inventing Advantages; Ken Schoenfeld and Terry Brennan; January; 34
Waxes Showcase; February; 40

Author Index

Baldassare, Joseph

A New Resin for Heatset Gel Varnishes; April; 80
Performance Comparisons of Heatset Ink Formulations Using Environmental Resin ER-125; June; 50
Environmental Resin-125's Use in Quickset Ink Formulations; October; 34

Battersby, Mark E.

How to Find the Experts Your Business Needs; April; 94

Bauer, W.

Tailoring Dyes for Ink Jet Applications; January; 42

Brennan, Terry

Organophilic Clays: Inventing Advantages; January; 34

Brucato, Patricia

Peer Pressure: A Look at ISO 9000; June; 36
Solvents: A Rising Tide of Controversy; July; 23
ISO 14000: The New Kid on the Block; August; 60
Taking a Spin on the Information Highway; September; 10
CAAA Update: Permit Me to Comply; November; 22

Chan, S.Y.

A New Technology for Graphic Arts Applications; June; 56

Christiansen, Suzanne

The International Outlook; February; 12
TAGA 1995; May; 30
Shining a Light on Energy Curable Inks; May; 42
NAPIM Envisions the Future; June; 21
CEPE on the Move; September; 16
Resins are Gaining Weight; October; 12
Shrinking the Globe; November; 12
Winds of Change for Ink Technology; The NAPIM Technical Conference; November; 30

Cunningham, Elizabeth

The Year in Review...and a Peek at The New Year; January; 20
New Technology for Waterbase; March; 12
The DRUPA '95 Report; August; 38

Derby, R.

A New Technology for Graphic Arts Applications; June; 56

DiBernardo, Al

Hi-Fi Color; April; 37

INDEX TO ARTICLES

Fishman, Dr. David
Printing Ink Sales 1994 & 2000; February; 54
